Transition to School Expo

We all attended the transition to school expo at Westfield Warrawong. All the children were very excited at the prospect of going to the expo on a bus. On the way, Jacinta pointed out the street where she lived as well as her other preschool and Matthew was fascinated by the big delivery trucks.

Once at the expo all the children were very eager to participate in the various activities set up. Christian and Sapphire decorated their own school book whilst Isabella, Jack and Jacinta decorated a boomerang. Blake took on the role of a very placid tiger once he got his face painted and Gabby became a butterfly.

The arrival of Billy Back Pack was greeted with cheers and clapping by all the children. We saw many groovers in the audience as Billy performed his new song as well as some favourite old ones.

Overall the expo was a great opportunity for both parents and children to meet their future teachers and principals.

We ended the excursion with a soft serve treat by Tony Coppola which all the children enjoyed. On our way back to the bus we also made a pit stop at the pet shop where we got to see various animals ranging from dogs, cats, birds and fish.
