

Billy Backpack comes to visit Warilla Occasional Child Care Centre:

The children of Warilla Occasional Child Care Centre were delighted to have a special visit from the transition to school mascot—Billy Backpack! The children danced and sang with Billy and his special helper. We were also very lucky to show Billy Backpack our favourite dance, 'The Robot Dance.' Billy very quickly refined the dance moves to our favourite and very frequently requested song.

The children were reminded that starting school is FUN, EXCITING and should be a time that is CELEBRATED by families and children. The children very quickly reminded Billy Backpack how to sit at group time. Thank you for our special gifts!
