

# Getting ready for big school

Families will be well and truly prepared for big school after Monday's Transition to School Expo at Westfield Warrawong.

While children took part in the fun, parents were provided with the opportunity to talk to schools and health, speech and physiotherapy professionals.

Since 2005, the Big School Expos have provided parents and children with all the necessities to begin their transition.

Transition to School

project officer Kath Smith said the Warrawong expo was bigger and better than ever.

“Starting school is a critical time for both children and parents and the expos are designed to make the transition a positive experience,” Ms Smith said.

“Families have the chance to familiarise themselves with all their local schools and gather important information from transition to school experts.”
